

**Request to change water provider from San Bernardino County
Special Districts to Bighorn-Desert View Water Agency**

Dear LAFCO Commissioner and/or County Supervisor:

215 North D. Street, Suite 204
San Bernardino CA 92415-0490
(909) 383-9901 Fax
lafco@lafco.sbcounty.gov

I, _____, a resident, rate payer, homeowner, tenant, and/or registered voter of Landers, CA, currently being served by the San Bernardino County Special Districts Water Department in County Service Area 70/Zone W-1, hereby strongly support the dissolution of CSA 70/Zone W-1 and annexation into Bighorn-Desert View Water Agency because it would provide immediate financial relief from exorbitant rates and charges, as well as measurable transparency, and local governance (elected Board members that live in my community) and water service (operations, maintenance and administration) centralized in my community.

I urge you to support an application requesting the Local Area Formation Commission (LAFCO) initiate proceedings for a reorganization to include annexations to Bighorn-Desert View Water Agency and dissolution of County Service Area 70/Zone W1, more specifically LAFCO Case No. 3181.
