

**Notice to Property Owners: Proposed Rate Actions by  
County of San Bernardino, Special Districts Department,  
Water and Sanitation Division, County Service Area 70,  
Zone W-1 (District)**

The County of San Bernardino Board of Supervisors (Board), acting as the governing body of the District, is considering an increase in water rates for all classes of users, effective July 1, 2012. The rate increase is required to maintain current levels of services and fund reserves at acceptable levels. The Board will make its decision following a public hearing to be held Tuesday, June 5, 2012 at 10:00 a.m. at the County Government Center, 385 North Arrowhead Avenue, Board Chambers, First Floor in San Bernardino, California.

The proposed increase in water rates applies uniformly to residential and commercial customer classes, as outlined below. Please note that water bills will continue to be sent bi-monthly.

Rates are reviewed and recalculated annually using an intensive review process that includes use of projection models and interface with Operations, Administration and Engineering professionals. Factors to be considered include the level of revenue needed to fund current plans for future infrastructure (repair and replacement); cash flow needs; reserve requirements; anticipated operating costs; and continued system integrity and service delivery.
